

CONCLUSION AND CALL TO ACTION

Despite having faced significant challenges and discrimination, LGBTQ+ Columbians, with their activism and scholarship, have contributed to the intellectual and social fabric of our community. In sharing this guide, we seek to honor and highlight their work and raise a call to action for the broader Columbia community toward greater equity and justice.

We want to hear from you. Tell us how your unit or organization is implementing this guide, give us feedback on its content, or join others on campus who are working to improve LGBTQ+ life at Columbia by contacting our office at facultyadvancement@columbia.edu.
