Appendix 2 (Target of Opportunity)

Application Guidelines for Provost’s Office Funding for
Target-of-Opportunity Faculty Recruitments from Underrepresented Groups
Columbia University
Spring 2020

Introduction

The Office of the Provost is pleased to provide this announcement of funding support for faculty recruitments from groups underrepresented in the professoriate. This program is designed to support Schools’ diversity plans, and to assist the University in meeting placement goals established in its affirmative action programs, by advancing the recruitment of outstanding underrepresented minority and women scholars in disciplines where the availability of qualified minorities and women exceeds their representation on our faculty. Our goal is that the composition of our tenured and tenure-track faculty more closely reflects the national pool of qualified candidates. Please note that the program is not intended to increase the size of the faculty above the current plans of your School. Rather, the goal is to accelerate the recruitment of faculty from underrepresented groups.

Target-of-Opportunity Faculty Recruitments

While Departments/Schools will normally use the procedures described in its Standard Search and Evaluation Procedures to recruit faculty members, a hiring unit may seek a waiver from these procedures for some types of recruitments. If the candidate in question is an outstanding woman or minority scholar, whose successful recruitment would bring the composition of the unit’s faculty into closer alignment with the composition of the national pool of qualified candidates, then the unit may apply for a waiver, and also seek funds from the Provost's Office.

Eligibility

The Provost’s Office will consider providing support for such candidates who are identified as top candidates for full-time, tenured and tenure-track faculty positions. Candidates must belong to a group that is eligible for funding support (see Appendix 3).

Application Process

The application deadline is Friday, March 6, 2020. For this round of applications, we anticipate having funds for approximately five (5) target-of-opportunity recruitments on the Morningside campus. The next application deadline will be in the fall 2020 semester.

Given the limited amount of Provost’s Office funding, Schools are strongly encouraged to develop a process for determining which funding requests will be prioritized and put forward. Departments requesting support should coordinate closely with their Deans. Funding requests must be submitted with the support and sign-off by the School’s Dean. Please note that applications for funding support must be submitted and reviewed before an offer has been made to the candidate.
Scope of Commitments

The Provost’s Office financial commitment is limited to three years. After that, 100% of the costs will be borne by the School and Departments, with the funds coming from faculty retirements or departures, or the planned growth of faculty. Funds will be dispensed in annual payments over three years. No lump sum payments will be made.

- Lab-based faculty: The lesser of up to $250K/year/3 years or 50% of offer/year/3 years for a successful application.
- Non lab-based faculty: The lesser of up to $125K/year/3 years or 50% of offer/year/3 years for a successful application.

Schools and Departments are responsible for covering the remainder of costs not provided by the Provost’s Office.

Note: Provost’s Office funds cannot be used for capital expenditures.

Funding Application Requirements

The Provost’s Office will only consider providing support for candidates being recruited as full-time tenured or tenure-track faculty members.\(^1\) Funding application packages must include:

- Completed cover page (see page 4 of this Appendix), with all necessary signatures
- Proposal, up to 5 pages, from the Dean (and Department Chair, if applicable) that includes the following (each section denoted with a separate header):
  - Qualifications, accomplishments, future promise of the candidate, and whether the candidate would be recruited to a tenured or tenure-track position
  - Candidate’s potential to contribute to the diversity goals of the Department/School
  - The potential of the recruitment to cause the composition of the Department/School to more closely reflect the national pool of qualified candidates
  - Process by which the candidate was selected
  - Mentoring and support efforts the hiring unit will undertake to support the professional career development of the candidate. In the case of senior candidates, provide a statement of the steps that will be taken to facilitate a successful transition into the hiring unit
- Separate statement of overall progress that the School has made in achieving its diversity goals and how this application will advance the School’s plan
- Budget projection and narrative (see page 5 of this Appendix). We recognize that the proposed budget is based on your estimate of what it will cost to recruit the candidate. The actual budget, and Provost’s Office award, will be based on the accepted offer letter.
- Candidate’s curriculum vitae

\(\text{NOTE: The entire application must be submitted as one PDF file, in the order of the application requirements noted above.}\)

Review Process and Selection Criteria

A committee appointed by the Provost will review the applications and will make recommendations to the Provost.

The School’s progress in achieving its diversity goals is an important element in evaluating applications. Attention will be given to supporting Schools/Departments where the need to enhance diversity is most acute. Requests will be judged according to the following criteria:

- The scholarly excellence of the candidate
- The candidate’s potential to contribute to the diversity goals of the Department/School
- The potential of the recruitment to cause the composition of the Department/School to more closely reflect the national pool of qualified candidates
- The mentoring and support efforts the hiring unit will undertake to support the professional career development of the candidate. In the case of senior candidates, the steps that will be taken to facilitate a successful transition into the hiring unit
- The School’s progress in achieving its diversity goals

Submission and Timeline

Please submit complete applications to diversity-facultyrecruitment@columbia.edu with the subject line “Application for Provost’s Office Support of Faculty Recruitments” and copy Dennis Mitchell (dmitchell@columbia.edu), Shana Lassiter (slassiter@columbia.edu), and Kristen Barnes (kb2916@columbia.edu).

Submission deadline: March 6, 2020 (notification will occur by the beginning of April)

The Provost’s Office will work closely with Schools/Departments to support successful recruitments. The Provost’s Office and the School/Department approved for funding support will identify a mutually agreeable time by which a letter of acceptance will be received from the candidate. If an acceptance letter is not received by that time, the Provost’s Office commitment will be re-evaluated.
